

Silicones

Delivering
your
potential

Bluesil

BLUESIL™ TCS solutions for
Apparel applications.

BLUESIL™ TCS bi-components for apparel applications.

A printable silicone ink and an anti-slip silicone coating that contain no solvent, PVC or phthalates. Both products comply with current international regulations, ideal to guarantee the protection of users and the environment.

To each their own: your application, your needs!

- Adhesion performances stable among a wide variety of substrates.
- Pot life and curing speed adjustable to your printing and coating processes.
- BLUESIL™ TCS silicones are translucent to ease the coloring and decorating.

↑ Skin-friendly and comfortable, ideal for sportswear.

A durable solution for your logos and labels. ↓

↑ Unique and controlled anti-slip properties to make sure intimate wear stay in place comfortably.

Customizable and easy to take care of. ↓
